ABOUT

INTERNATIONAL STUDENT SUMMIT 2018

The International Student Summit was held on 29th of July 2018 at the Melbourne Town Hall. Our Summit attendees included twenty four exhibitors ranging from various service businesses that cater for International Students such as Migration, English Coaching classes, Accommodation, Health Insurance Providers, Institutes, Resume Checkers, Career Development Coaches, Accountants and many more.

The vision of this event was to provide the International Student Community in Australia with the necessary assistance and guidance whilst studying and living in Australia.

Careers and skills workshops ran parallel to the Summit, where students were able to engage with exhibitors to gain insights on topics related to attaining permanent residency, achieving their desired PTE scores, pathways to finding professional jobs in Australia, and many more.

Overall, the event was a success with more than 1000 students in attendance. We thank all the summit attendees who made this event a huge success.

TESTIMONIALS

"Today was really busy for us. I think we had about 200 people lined up in our stall. I presented to over a hundred students in the seminar. We had a very very rewarding day "

Pauline Broch

Career of the Day

"It was a really good experience. Carpe Diem has organised it really well. There were a big number of students and received a lot of student leads from the event."

Zaheer Abbas

"We had a very good response from all the students that came to our stall. We would really like to thank the event organisers for organising such a nice event. On top of that, it was at a very central location which made a big difference in terms of how an event should be organised. We are very very thankful."

Jatin Bajaj

"Thanks very much for having us at the expo. The students were great and overall it was outstanding. Congratulations to you and your team on putting on a wonderful event! Please keep us in mind for future events."
