

International STUDENT SUMMIT 2019

POST EVENT REPORT

10 AUG 10 AM - 3 PM
2019 MELBOURNE
TOWN HALL

Dear Attendees, Exhibitors, and Supporters of #ISS2019,

The vision of this event was to build a platform wherein International Students in Melbourne could connect with businesses catering to their educational and professional development requirements in Australia.

The International Student Summit 2019 was a resounding success, with more than 1000 students in attendance. The students ranged from different parts of the world, predominantly Asia.

Careers and skills workshops ran parallel to the summit, where students could gain insights on matters such as employability, migration, internships, and pathways to residency. We thank all the summit attendees who made this event a huge success.
