CDEM has created a very good event here where International Student can come here and explore what they can do in Melbourne.

I find this event very informative & fruitful. I did achieve my main objective over here. I also enjoy the freebies given to me, and it was a great event, and i'm looking forward to it next year as well!

THOUGHTS FROM THE Students

This event has give us the opportunity to widen our horizon in terms of studying in Australia. We were able to speak to companies that can help us once we graduate

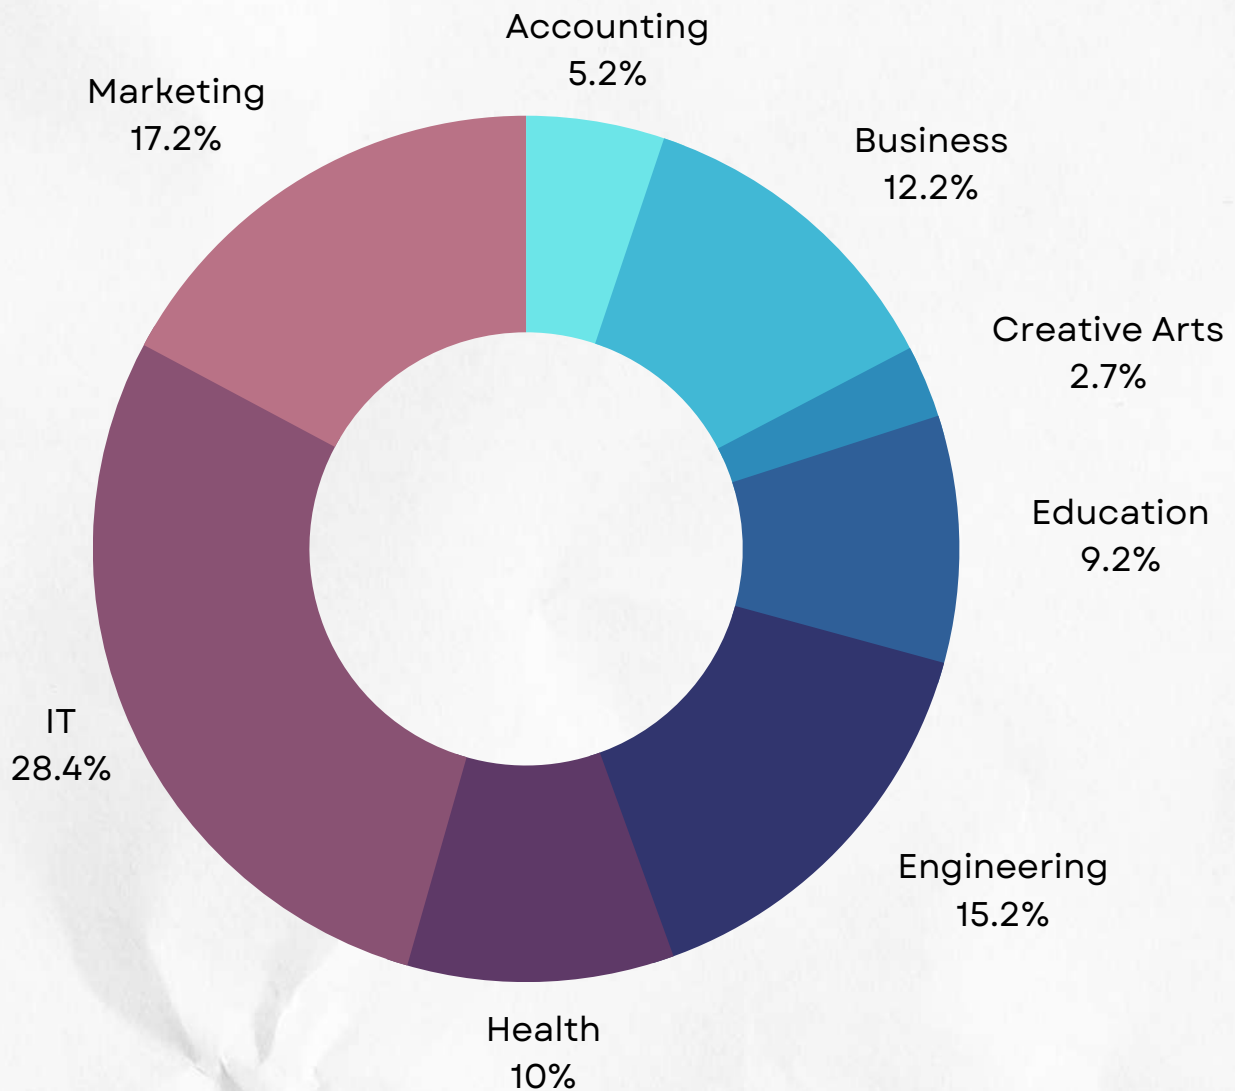

This event was helpful for us, even for graduates like me. This allowed me to explore the possible pathways to supplement my degree as well the skills I can gain.
