**SUMMIT** 2024

The Brisbane International Student Summit 2024, held at Brisbane City Hall, brought together hundreds of international students, graduates, and temporary residents for a day of learning, networking, and career-building opportunities.

At the main expo hall, attendees engaged with employers, migration agents, education providers, and industry experts, gaining practical insights into visa pathways, job opportunities, financial literacy, and student well-being. Simultaneously, seminars and panel discussions in dedicated rooms provided expert guidance on navigating life and career prospects in Australia.

Beyond the sessions, attendees participated in interactive activities and giveaways. A standout feature was the free LinkedIn headshots and free resume review services, helping students enhance their professional image.

With a strong turnout and insightful discussions, the inaugural Brisbane ISS was a resounding success, and we look forward to returning in 2025.
