International
STUDENT
SUMMIT 2024

The International Student Summit 2024 at Sydney Masonic Centre was a day filled with insights, networking, and opportunities for international students, graduates, and temporary residents. Attendees engaged with industry experts, migration professionals, and employers through informative seminars, panel discussions, and one-on-one consultations covering topics like career pathways, visa options, and employability.

The event featured an exhibition hall where students connected with education providers, job recruiters, and support services. Interactive seminars and activities, including LinkedIn headshots, resume checks, and giveaways, kept the energy high.

With hundreds of attendees making valuable connections and gaining practical insights, ISS 2024 reinforced its position as Australia's leading expo for international students.

The International Student Summit

We entered the International Student industry in 2018 with the groundbreaking International Student Summit. This event was our first and most significant, bringing together international students and service providers, filling a crucial gap in the market.

As the foremost independent expo of its kind in Melbourne, we have become the vital link between students and resources. By cultivating a community, addressing needs, and fueling educational and career advancement, **we seize opportunities and create impactful experiences for international students.**

WHAT WE AIM TO *achieve*

VISION

Empowering Global Minds, Connecting Futures

MISSION

We aspire to serve as a catalyst for personal and professional development- offering a range of workshops and networking opportunities tailored to international students. Ultimately, we aim to support and empower all participants, guiding them on their educational and professional journey.

THE PLAN TO ACHIEVE OUR *goals*

We plan to achieve this by offering world-class expos, conferences, and professional development opportunities designed to equip international students, graduates, and temporary residents with the skills and connections necessary to navigate their academic and professional journeys in Australia.

Target Audience

Our primary audience comprises **international students** from diverse backgrounds, studying at different levels and in various disciplines. Our secondary target audience consists of **graduate international students** and **temporary residents** to provide them a platform that connects academia with career goals.

WorldWay Migration

"We're very overwhelmed with the number of students that have come today. I think we've had more than 100 leads (today)"

Ausphin Group

"It's great platform to see a lot of like minded people to be in one space and be able to consult them. There's a better chance to help them out with what we do"

Sydney Met

"I'm very glad to attend this event. It's very good for us to meet so many students and industry partners"
